

# I'm In Love (SoundFactory Radio Mix)

Sanna Nielsen

Now I know  
Yes, it's here I belong  
By your side, in your arms  
You are my destiny  
You are my light, shining so brightCHORUS:  
All my love I give to you  
All I do I do for you  
I'm in love, baby I'm in love  
Every day and every night  
Always 'til the end of time  
I'm in love, baby I'm in loveNow it's time  
I have made up my mind  
No more reasons to cry  
Loving you endlessly  
You are my light, shining so brightCHORUS:  
All my love I give to you  
All I do I do for you  
I'm in love, baby I'm in love  
Every day and every night  
Always 'til the end of time  
I'm in love, baby I'm in loveStick  
Yes, from the start  
You reached so deep, into my heart  
How could I live without you  
I want you, I need you forever  
I give youCHORUS:  
All my love I give to you  
All I do I do for you  
I'm in love, baby I'm in love  
Every day and every night  
Always 'til the end of time  
I'm in love, baby I'm in loveAll my love I give to you  
All I do I do for you  
I'm in love, baby I'm in love, baby I'm in love
