Trash, Trampoline And The Party Girl

U2

I know a girl, a girl called Party, party girl
I know she wants more than a party, party girl
And she won't tell me her nameI know a boy, a boy called Trash, trashcan
I know he does all that he can, wham bam
And he won't tell me his nameI have a heart, a heart that's beating inside
When I was three I thought the world revolved around me
I was wrong, and so I sing along
And if you dance, then dance with meI know a girl, a girl called Party, party girl
I know she wants more than a party, party girlI know a boy, a boy called Trampoline
You know what I mean
I think you know what he wants
I think he knows what he wants
I think he knows what he wants
