In This Life

Ronan Keating

For all I've been blessed with in this life
There was an emptiness in me
I was imprisoned by the power of gold
With one honest touch you set me freeLet the world stop turning, let the sun stop burning
Let them tell me love's not worth going through
If it all falls apart I will know deep in my heart
The only dream that mattered had come true
In this life, I was loved by youFor every mountain I have climbed
And every raging river crossed
You were the treasure that I longed to find
Without your love I would be lostLet the world stop turning, let the sun stop burning
Let them tell me love's not worth going through
If it all falls apart I will know deep in my heart
The only dream that mattered had come true
In this life, I was loved by you
In this life, I was loved by you
