

Start Again

ONE OK ROCK

This is where I draw the line
Seen this war a million times
Looking for a peace of mind Now you hate what we've become
Say the word...let's be done

There is something in the way I'm not always perfect

But I'm always myself
If you don't think I'm worth it
Find someone else

I won't say I'm sorry
For being who I am
Is the end a chance to start again?

If you don't think I'm worth it
Find someone else

I won't say I'm sorry
For being who I am
Is the end a chance to start again? I know, I know, I know it's not easy
You can leave here anytime

You know, you know, you know it's just not right?

I'm not always perfect
But I'm always myself
If you don't think I'm worth it

Find someone else
I won't say I'm sorry
For being who I am

Is the end a chance to start again?
