To the one dem weh outright cheating Say girls from all over the world call on my phone and them a
Tell me say them need the yardie bone
Because then love it bad
And if they don't get it them a goin' go mad Say girls from all over the world call on my cell, because
They know the yardie boys do it well, swell
It's a well known fact from they get the yardie bone
Then they must come back From outta the freezin' breezin' them gal deh blowin' up my phone

Give her the length and give her the strength because it hard like a stone
