

Diamonds - Dave Aude 100 Extended

Rihanna

Shine bright like a diamond
Shine bright like a diamond Find light in the beautiful sea
I choose to be happy
You and I, you and I
Were like diamonds in the sky You're a shooting star I see
A vision of ecstasy
When you hold me, I'm alive
Were like diamonds in the sky I knew that we'd become one right away
Oh, right away
At first sight I felt the energy of sun rays
I saw the life inside your eyes So shine bright, tonight you and I
Were beautiful like diamonds in the sky
Eye to eye, so alive
Were beautiful like diamonds in the sky Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond
Were beautiful like diamonds in the sky Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond
Were beautiful like diamonds in the sky Palms rise to the universe
As we moonshine and molly
Feel the warmth, we'll never die
Were like diamonds in the sky You're a shooting star I see
A vision of ecstasy
When you hold me, I'm alive
Were like diamonds in the sky At first sight I felt the energy of sun rays
I saw the life inside your eyes So shine bright, tonight you and I
Were beautiful like diamonds in the sky
Eye to eye, so alive
Were beautiful like diamonds in the sky Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond
Were beautiful like diamonds in the sky Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond
Were beautiful like diamonds in the sky Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond So shine bright, tonight you and I
Were beautiful like diamonds in the sky

Eye to eye, so alive
Were beautiful like diamonds in the sky Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
