Starseed

Tumbleweed

I let go of the world that was holding
A passenger that could not fly
In search of souls, in search of something
Let it go, let it slideWhen I find out what went on
I'll bring it back but it won't be easy
They won't believe how a man
He could drown in a starseed, starseedI hoped to find why this world wasn't glowing
It's darker as we end this ride
I've fallen back under the equator
I'm back inside, we're back inside
Yeah, yeah, yeahWhen I find out what went on
I'll bring it back but it won't be easy
They won't believe how a man
He could drown in a starseed, starseedWe'll shout out nothing, nothingWhen I find out what went on
I'll bring it back but it won't be easy
They won't believe the man
He could but I'd choose starseed over nothing, nothingWhen I find out what went on
I'll bring it back but it won't be easy
They won't believe the man
He could but I'd choose starseed over nothing, nothingStarseed over, starseed over
