

# Shattered (2015)

## Nervous Trend

You do not, you do not see me  
As a whole, as a whole being.  
I am in peices, I am in peices shattered by yours eyes.

I am on my knees.  
You are looking down at me.  
So tell me what role do i play?  
Which peices of me do you want today?

I am on my knees.  
You are looking down at me.  
So tell me what am I good for?  
Do you see a virgin?  
Do yoy see a whore?  
Do you see a plaything?  
Do you see a savior?

You do not, you do not see me  
As a whole, as whole being.  
I am not a virgin.  
I am not a whore.  
I am only human.  
You are nothing more.
