## **Stars**

## **Roxette**

You keep on walkin' on the other side
Other side, other side
You keep on walkin' on the other side
Other side, other sideWherever you go, I'm going with you
Shouldn't you know I'm bound to follow
Whatever you say, whatever you do
I give you a clue, I'm gonna followAnd the stars will show
Where the waters flow

Where the gardens grow
That's where I'll meet youWhy don't you let me, let me come along?

Na na na, na na na

Why don't you open, make me come along?

Na na na, na na naWherever you go, I'm going for you

Oh, I was truly born to follow

Like fire and wood and paper and glue

Only a few were born to followAnd the stars will show

Where the waters flow

Where the gardens grow

That's where I'll meet youAnd the sun will glow

Melting all the snow

Knowing all I know

That's where I'll meet youStars will show

Where the waters flow

Where the gardens grow

That's where I'll meet youAnd the sun will glow

Melting all the snow

Knowing all I know

That's where I'll meet youAnd the stars will show

Every breeze will blow

Knowing all I know

That's where I'll meet youThat's where I'll meet you, oh
