

Memphis in June

[Matt Monro](#)

Memphis in June A shady veranda under a Sunday blue sky
Memphis in June and cousin Amanda is making a
rhubarb pie I can hear the clock inside a-ticking and tocking
Everything is peaceful and dandy
I can see old granny across the street still a-rocking
Watching the neighbours go by
Memphis in June with sweet
oleander

Blowing perfume in the air
Up jumps the moon to make it that much grander

It's paradise Brother take my advice
Nothing's half as nice as Memphis in June

Memphis in June with sweet oleander

Blowing perfume in the air
Up jumps the moon to make it that much grander

It's paradise brother take my advice
Nothing's half as nice as Memphis in June
