

# Don't You Remember

Romain Virgo

Yes,  
Yes baby,  
Yes

When will i see you again  
You left with no goodbye  
Not a single a word was said  
No final kiss to seal or anything  
I had no idea of the state we were in

I know I have fickled heart  
And a bitterness and a  
Wandering eye and  
Heaviness n my head

But don't you remember  
Don't you remember?  
The reason you loved me before  
Please remember me once more

When was the last time  
You thought of me  
Or you completely  
Erased me from your memory

I often think about when  
I went wrong  
The more I do the less I know

And I know I have a fickled heart  
And a bitterness and a  
Wandering eye and  
Heaviness in my head

But don't you remember  
Don't you remember?  
The reason you loved me before  
Please remember me once more

I gave you the space so you could breathe,

I kept my distance so you would be free  
And I hope that you find the missing piece,  
To bring you back to me,

Why don't you remember?  
Don't you remember?  
The reason you loved me before  
Please remember me once more

Yes baby, oohh oohh  
(Don't you remember)

Don't you remember?  
The reason you loved me before

Baby, baby  
Yes, yes, yes
