

# A Change is Gonna Come

[Greta Van Fleet](#)

I was born by the river in a little tent  
And just like the river baby I've been running ever since It's been a long, a long time coming  
And I know a change is gonna come It's been too hard living, but I'm afraid to die  
'Cause I don't know what's up there baby beyond the sky It's been a long, a long time coming  
And I know a change is gonna come Then I go down to my brother  
And I say, "Brother, help me please."  
But he winds up knockin' me back down  
On my knees  
There been times that I thought I couldn't last for long  
But now I think I'm able to carry on It's been a long, a long time coming  
And I know a change is gonna come, oh yes it will It's been a long, a long time coming  
And I know a change is gonna come, oh yes it will  
Well, it's been a long, a long time coming  
And I know a change is gonna come, change  
I know it, I know it, I know, I know, I know  
A change is gonna come
