

# Yellow Light

## Of Monsters and Men

I'm looking for a place to start and everything feels so different now  
Just grab a hold of my hand I will lead you through this wonderland  
Water up to my knees but sharks are swimming in the sea  
Just follow my yellow light and ignore all those big warning signsSomewhere deep in the dark a howling beast  
hears us talk  
I dare you to close your eyes and see all the colours in disguise  
Running into the night the earth is shaking and I see a light  
The light is blinding my eyes as the soft walls eat us alive
