

Impressed

Charlie Sexton

Romeo and Juliet
Louis and Mademoiselle Antoinette
Napoleon and Josephine
Mickey and the Rodent QueenAnthony and Cleopatra
Nicholas and Alexandra
Ken and Barbie, Dick and Jane
Well, Superman and Lois LaneI am not impressed
I love you the best
(Impressed)
Well, I am not impressedJust a bunch of losers
You know there are lot of fools
Long list of victims, not that cool
I got nothing in this world to live up toI'll never kill you, this I swear
Then kill myself just to be fair
I'll never need another queen
We'll never face the guillotineLove is gentle, love is kind
Doesn't poison baby's wine
Isn't jealous or provoked
Doesn't quit or give up hopeI am not impressed
And I love you the best
(Impressed)
I am not impressedIt's just a bunch of losers
Act just like a fool
A long list of victims, not that cool
I've got nothing to live up toI am not impressed
A long list of victims
Well, I am not impressed
Long list of victims
