Not Alright

Not Alright - LyricsUh uh uh, uh uh uhVerse:
You say you don't really know
Why I've been so cold
Oh you really don't (don't don't)
Breaking at the fold
Don't feel myself at all
It's like I've turned to stone (stone stone)
Sometimes it's hard to let you see
The broken side of me, so I, so I, so IChorus:
I cover my heart, I cover my bones
I just wanna feel like this alone
These colors of mine
Just so you know, don't want them to show
I get so sad all over again
Rollin' right round with the voice in my head
I know that in time it'll be alright
But right now nothing is quite alrightUh oh, oh oh oo oh oh X2
Nothing is quite alright
Uh oh, oh oh oo oh oh X2
No I'm not alrightuh uh uh, uh uh uhVerse:
You say don't you cry your eyes
Babe I'm on your side
Still I run and hide
Underneath the mystery
Pretend to be complete so i, so i, so iChorus:
I cover my heart, I cover my bones
I just wanna feel like this alone
These colors of mine
Just so you know, don't want them to show
I get so sad all over again
Rollin' right round with the voice in my head
I know that in time it'll be alright
But right now nothing is quite alrightUh oh, oh oh oo oh oh X2
Nothing is quite alright

When everything everything just feel like, feel like, feel likeChorus:
I cover my heart, I cover my bones
I just wanna feel like this alone
These colors of mine
