

# REDLINE

## Redline OST

Way past overdrive  
Full on redline  
No easing up  
Your life's flying byPushing and passing yourself  
You've just passed  
First over the finish  
You still come in lastFace turning to stone  
Your eyes owl wide  
No easing up  
More speed is your highLook and feel twice your age  
Grinding in your silent rage  
Dying at twice the speed  
Yet not enough to quench your needRedline, foot to the floor  
Redline, slow paced is a bore  
Redline, yourself you've just passed  
Redline, you still come in lastRedline, foot to the floor  
Redline, slow paced is a bore  
Redline, yourself you've just passed  
Redline, you still come in last
