

# Sleep On It Tonight (feat. Thomas Dybdahl)

## Morcheeba

Don't find me  
I just got a lot going on  
Don't tell me  
It's just an excuse for holding back Hold on, let me sleep on it tonight  
Decide in the morning light  
Hold on let me sleep on it tonight  
I know it's gonna be alright Don't worry  
It didn't do anything  
I just need to  
Settle down and stop wondering  
?Only trouble like before  
The time to cheat me once more  
We just need to take it slow and let it go  
Hold on, let me sleep on it tonight  
Decide in the morning light  
Hold on let me sleep on it tonight  
And i know it's gonna be alright
