

# Jaded (these Years)

## Mest

There's a time and place for everything  
There's a reason why, certain people meet  
There's a destination for everyone  
What's the explanation, when we're done?  
All the summer nights spent wondering  
So many questions asked, but no one's answering  
Would it be okay if I left today?  
Took my chances on what you said was wrong?  
I'm jaded, stupid, and reckless  
Not sorry and I'll never regret  
These years spent, so faded and reckless  
Not sorry and I'll never regret these years  
I'll never regret these years  
Now here I sit so far away  
Remembering all our memories  
It's times like these that I miss you most  
Remembering when we were so close  
I'm jaded, stupid, and reckless  
Not sorry and I'll never regret  
These years spent, so faded and reckless  
Not sorry and I'll never regret these years  
We'll never forget the places we've been, you and I  
Our lives are slipping away  
Don't want to let time pass us by, by  
I'm jaded, stupid, and reckless  
Not sorry and I'll never regret  
These years spent, so faded and reckless  
Not sorry and I'll never regret  
I'm jaded, stupid, and reckless  
Not sorry and I'll never regret these years
