

Via Veneto

Phoenix

You feed me to the lions, bring me to the ground
Or rely on me
I will follow, I will follow, I'll follow you around
And in front of a sonogram It's a sin
Senza te, senza te
A sin
It's a sin
Senza te, senza te
Senza te
Non troppo, un po' per lei
Non troppo, un po' per lei
Voglio vederlo
Voglio saperlo Who could find a better way to get lost with you
Via Veneto
Who could find a better way to get lost with you
Via Veneto It's a sin
Senza te, senza te
A sin
It's a sin
Senza te, senza te
Senza te
It's a sin
Senza te, senza te
A sin
It's a sin
Senza te, senza te
Senza te
