

It's Only Love

Donna Summer

It's only Love
It's only Love
It's only Love
That makes me whole Take me on a journey
To the bottom of your soul
Take me on a journey
While we're on the dance floor I don't mind
You see I don't care
You've got a thousand chances
While we're out of here Take me to the land
Of millions dances
Come on and
Let me love me, love me
Come on and
Love me, love me, love me
Come on and
Let me love me, love me Move, move, move, move
Till you can't see
Close you eyes
Till you're swept up in the mystery
I don't need nothing but you and music
Take me, take me, take me It's only love Come on and let me love
Me, love me
Come on and love me, love me, love me
Come on and let me love me, love me
Come on and let me love me, love me
Take me down to land of the thousand dances
Take me down to the land of the thousand dreams
Take me down to the land of the thousand dances
Make me, make me dream. Let me be me
Let me be free
Let me be free
Let me be me You're Loving, loving me now Dancin' and dancin'
Dancin' and dancin' all night long
Dancin' and dancin'
It's only love that makes me whole
