

# After the Flood

## Brandy

Intro:

I'm dryin' all up  
I'ma change all my plans  
So I can take a stand  
I'ma clear it up  
I'm dryin' all up  
I'ma change all my plans  
So I can take a stand  
Storm is over

Verse 1:

I'm in here freezing  
My mouth turning blue  
This time not from screaming  
But crying for you  
You gave me a teardrop  
I gave you a flood  
But I'm lost in here now  
And you just gave up

Bridge:

I can't believe it's over taking me  
Feel like I'm drowning from the hurt, oh no  
My feelings were securing me  
But now the dam has let my feelings go

Chorus:

Love is a natural disaster  
Can't stop it from happenin'  
Just make the day after  
Day after the flood  
It's like a natural disaster  
I'm gonna outlast it  
'Til the day after  
Day after the flood  
Day after the flood  
Day after the flood  
I'm dryin' all up  
I'ma change all my plans  
So I can take a stand  
I'ma clear it up  
I'm dryin' all up  
I'ma change all my plans  
So I can take a stand  
I'ma clear it up  
I'm dryin' all up

I'ma change all my plans  
So I can take a stand  
I'ma clear it up  
I'm dryin' all up  
I'ma change all my plans  
So I can take a stand  
Storm is overVerse 2:  
I'm floating in sorrow  
I'm way past a leak  
I feel a tsunami  
Right here on my cheek  
But after the storm  
I can see my relief  
Cuz all of my pain  
Is floating around meBridgeChorusI'm dryin' all up  
I'ma change all my plans  
So I can take a stand  
I'ma clear it up  
I'm dryin' all up  
I'ma change all my plans  
So I can take a stand  
I'ma clear it up  
I'm dryin' all up  
I'ma change all my plans  
So I can take a stand
