

# Tears On the Road

## Wolfskin

Everytime I hear you  
You're always a lie  
Where is your soul?  
Where have you gone? You left me  
so empty inside  
Inside...The tears I cried for you  
that cold and sad night  
fell one by one on the road.  
Each one of those tears meant  
one more memory  
I try hoplessly, to leave behind.  
I'm scared...  
of falling in love again  
But I'm sure I will find the way  
To escape from this!  
To escape from this! Just keep holding on  
Just keep holding...  
The tears I cried for you  
that cold and sad night  
fell one by one on the road.  
Each one of those tears meant  
one more memory  
I try hoplessly, to leave behind. Why bad moments  
are so hard to forget?  
Everything could happen again!
