Ghost

Natives

How many times
Do I have to tell you twice
Until you realize
You've almost crossed the line
My patience is thin
From all these lies I've taken in
But thanks for everything
You really helped me out againAnd now I'm better than I've ever been
Better than I've ever beenCHORUS
I'm feeling my heart beating
Running away from what I once knew
I'm taking it all with me
I'm feeling my heart beating
Turning away from the ghost of you
I'm taking it all with meBut I couldn't find
Anything you left behind
And then I realized
That it was me who crossed the line
And I know you
Better than you think I do
Every path you've walked
I knew you would before you did
You left a trail behindAnd now I'm better than I've ever been
Better than I've ever beenCHORUSI feel my heart beating
It's good to be back on the ground
It's good to be back on the ground
Cause I'll be seeing you around 2xI feel my heart beating 2xCHORUSAnd now I'm better than I've ever been
Better than I've ever been
