

Minnesnowta (interlude)

Next

This Tweet' the freak
Next, tell 'em where we at
Yeah

We're in Minnesnowta
Where it's a little bit colder
So lead your body closer
When we get cozy

By the fireplace
I need to hold her
A little bit tighter
'cause it's colder
In Minnesnowta
Yeah

Just had to let y'all know where we from
