

# I Wish You Love

Michael Bublé©

Goodbye, no use leading with our chins, this is where our story ends,  
Never lovers ever friends.

Goodbye, let our hearts call it a day, but before you walk away,  
I sincerely want to say.

I wish you bluebirds in the spring, to give your heart a song to sing,  
And then a kiss, but more than this, I wish you love.  
And in July, lemonade to cool you in some leafy glade,  
I wish you health, and more than wealth, I wish you love.  
My breaking heart and I agree that you and I could never be,  
So with my best, my very best, I set you free.  
I wish you shelter from the storm, a cozy fire to keep you warm,  
Most of all, when snowflakes fall, I wish you love.
