

This Is My Life

Brodie

Don't look at me and shake your head.
Its 6pm, you should be in bed.
And Just because you're old and wise
doesn't give the right to criticize.The clothing that I wear,
The color I decide to dye my hair,
Exactly how much ink covers my skin,
or how many holes are in my head.This is My Life.I may not think before I act,
but never ask to take it back.
You say "responsibility" and I say..
F*** work lets party.The chances that I take,
All the choices I decide to make,
I know that you will not always agree,
but your advice is the last thing I need.This is My Life, if you can't tell.
You've got your own, so leave me alone.
This is My Life, last time I checked.
It's not up to you, don't tell me what to do..This is My LifeThis is My Life, if you can't tell.
You've got your own, so leave me alone.
This is My Life, last time I checked.
It's not up to you, don't tell me what to do..It's not up to you, don't tell me what to do..This is My Life
