

Girls On The Dance Floor

Far East Movement

Girls on the dance floor
Girls on the dance floor
Girls on the dance floor

I, I, I, I, I, I, I, see you chillin' by the bar (bar)
Why don't you grab yer girls and come here with a star?
Yup, up in VIP drinks on me
Swag on tight with a gangsta lead
Everybody knows just who I are

Girl, you know what it is?
Follow me to da floor
You can bring a couple of friends
They can drink a lil' mo
(They can drink a lil' mo)
They can drink a lil' mo
(They can drink a lil' mo)
They can drink a lil' mo
(They can drink a lil' mo)
Oh, you don't hear me tho?
Oh, you don't hear me tho?
They can drink a lil' mo

If ya lookin' for me, I'm with da (girls on the dance floor)
How easy to see I'm with da (girls on the dance floor)
You know I love it when I'm with da (girls on the dance floor)
That's why this one's for da (girls on the dance floor)

Hey, girls you know about the stereotypes?

I take a shot of Petron
Two shots and it's on
Three shots four shots five shots oh shit, I think I'm gone
You see that girl walkin' by?
She gimme them bedroom eyes
Later on I'm a take that home and smack that bedroom thighs

Girl, you know what it is?
Follow me to da floor
You can bring yer friends

They can bring a couple mo
(They can bring a couple mo)
