Tomorrow May Not Be Your Day

Taj Mahal

Said if it's love you want then you'd better be lovable
If it's smiles you want better get to smiling"
If it's good times you want,
Baby get your good times Now, Now, Now,
Baby don't you wait too long,
Honey don't you wait too long,
Oh Mama don't you wait to long long long,
Tomorrow may not be your day
Tomorrow may not be your day
Tomorrow may not be your day.You know we all have our sad times,
well then again we all have our glad times,
Everybody in this whole round world,
Need a friend, friend, friendOh honey don't you wait too long
Sugar don't you wait too long
Oh honey don't you wait too long long long
Tomorrow may not be your day (3x)Scat.
