## Girl Band

Got into a scrap with a pigeon  
He claimed he was professionally trained surgeon  
Wanted a bite  
He didn't mind if he was a cannibal  
Simply just liked to eat animals  
Chicken fillet roll (Wanted a bite)  
Chicken fillet roll  
Chicken fillet roll  
Chicken fillet(Have a bite of it, glass of Andrews...  
Centra, centra, centra, centra, centra)I couldn't feel low  
Chicken fillet roll  
I know I don't know  
Chicken fillet roll  
Chicken fillet roll  
Chicken fella
