

David Correy

[Hook]

247 and ooh, she like me  
365, wanna be my wifey  
All up on my Snap, I know she crazy  
Lowkey, lowkey, that's my baby  
247, I know she, know she  
I know she, know she like me[Verse 1]  
Just touched down in your town, baby  
Is you 'bout that life or gonna play me baby?  
Use your chance, come see if I'm with it  
When I'm outta town, come persuade me to hit it  
Why you acting shy like you don't wanna see me?  
All up on my Snap screaming that you really need me  
She crazy, psycho, demanded  
But I can't lie, still love when I'm in it  
Tryna get a Snapchat pic when we finished  
To show proof that a nigga hit it  
But baby girl, you know we ain't finished[Hook]  
247, I know she, know she  
247 and ooh, she like me  
365, wanna be my wifey  
All up on my Snap, I know she crazy  
Lowkey, lowkey, that's my baby  
247, I know she, know she  
I know she, know she like me[Verse 2]  
She crazy, yes, maybe  
But lowkey, lowkey, that's my baby  
Either she jealous or just over-zealous  
Checking my Snap as we check like propellers  
She tweet, Snap, and all in her feelings  
No love but, she is my mistress
