Happily

Jon D

[Harry]
You don't understand, you don't understand
What you do to me when you hold his hand
We were meant to be, but a twist of fate
Made it so we had to walk away[Zayn]
'Cause we're on fire, we're on on fire
We're on fire now
Yeah, we're on fire, we're on on fire
We're on fire now(1, 2, 3)[Harry and Louis]
I don't care what people say when we're together
You know I wanna be the one who hold you when you sleep
I just want it to be you and I forever
I know you wanna leave so come on baby be with me so happily[Liam]
It's 4am, and I know that you're with him
I wonder if he knows that I touched your skin[Louis]
And if he feels my traces in your hair
I'm sorry love but I don't really care[Liam and Niall]
'Cause we're on fire, we're on on fire
We're on fire now
Yeah, we're on fire, we're on on fire
We're on fire now(1, 2, 3)[Niall]
I don't care what people say when we're together[Liam]
You know I wanna be the one who hold you when you sleep[Louis]
I just want it to be you and I forever[Liam]
I know you wanna leave so come on baby be with me so happilySo Happily[Harry]
(1, 2, 3)
Oh, oh, oh
Oh, oh, oh
We're on fire now[Zayn]
Oh, oh, oh
Oh, oh, oh
We're on fire now
Oh, oh, oh
Oh, oh, oh
We're on fire now[Zayn]
I don't care[All]
I don't care what people say when we're together
You know I wanna be the one who hold you when you sleep
I just want it to be you and I forever

I know you wanna leave so come on baby be with me so happilyI don't care what people say when we're together
You know I wanna be the one who hold you when you sleep
I just want it to be you and I forever
I know you wanna leave so come on[Harry]
baby be with me so happily
