Please

Bethany Joy Lenz

if you're in love with me
why don't you show me
if you can't live without
holding me then hold me
I have been ignored
and abused and rejected
so it's time you told me
if this is what it is
then it is not
anything for me

are you going to try
or is it so easy
to watch me walking out the door
please get down on your knees
or stand there and shout my name
'til the walls come tumbling
kiss me and say
you know you can't let me go
baby please say
stay with me

I get so tired of scratching
scratching at your door
you push me out and let me in
then you push me out all over again
with you I have been so exposed
unprotected and you never know me
is it me that you need
or the need simply to own me

are you going to try
or is it
is it so easy
to watch me walking out the door
please get down on your knees
stand there and shout my name
'til the walls come tumbling
kiss me and say

you know you can't let me go
baby please say
stay with me

are you going to try
or is it so easy
to watch me walking out the door
please get down on your knees
stand there and shout my name
'til the walls come tumbling
kiss me and say
you know you can't let me go
baby please
say stay with me
say stay with me
please say stay with me
