Lucky Me (LP Version)

Foxy

Lucky is a man when you kiss them
Lucky is a man when you touch them
In my loves my luck has been so small
But my luck just all came in
When you came alongLucky is my eyes when the see you
And your voice is oh so -oooh-
It's easy to be with youWhen the words are oohs and ahhas
It's a fact
That the love between us two is real
It's no actLucky me that I'm in love with you
And you're in love with me oooh
Lucky me that I'm in love with you
And you're in love with me oooh
Lucky for my friends
I'll say that I am
You see the happiness I got in my hand
(Right in the palm my hand baby)Lucky guy -- Oh what a lucky guy
I consider myself
Your spicy sexy ways
I'm under your spell
You are music to my ears whenever you're near
(Well, uh, very time your near me I hear a symphony)
When I thought I miss you
I can't wait to be here
(Because you know in reality the words are very soothing)When the words are oohs and ahhas
It's a fact
That the love between us two is real
It's no act
Lucky me that I'm in love with you
And you're in love with me oooh
Lucky me that I'm in love with you
And you're in love with me oooh
