

Roses

Mackenzie Bourg

(Verse 1)

Life is life

And it goes so fast

So reach out and grab it

While supplies lasts You're still here

And I like your face

It's kind of loud in here

Let's get out of this place (Chorus)

Cause roses are red

Roses are red most of the time

There's love in my heart

There's love in my heart

Knowing you're mine

There's no way out

There's no way out of this mess

So darling may I

Help you get out of that dress (Verse 2)

And we'll fall apart

And I'll piece us back together

We'll make it through

Oh, in the stormy weather (Chorus)

Cause roses are red

Roses are red most of the time

There's love in my heart

There's love in my heart

Knowing you're mine

There's no way out

There's no way out of this mess

So darling may I

Help you get out of that dress (Bridge)

You know, I always love

Truth be told, I'm so caught up

In everything about my life

The lights and cameras aren't my type

Oh, I know it's been a rush

But baby I just won't give up

Cause you don't know (Chorus)

Roses are red most of the time

There's love in my heart

There's a love in my heart
Knowing you're mine
There's no way out
There's no way out of this mess
So darling may I
So darling may I
So darling may I
Help you get out of that dress
