Love Tko

Jazzathon

Lookin' back over my years
I guess I've shed some tears
Told myself time and again
This time I'm gonna win
But another fight things ain't right
I'm losing again
It takes a fool to lose twice
And start all over again
I think I better let him go
'Cuz it looks like another love T.K.O.
I think I better let him go
'Cuz it looks like another love T.K.O., ohh, yeah
I tried to take control of the love
He took control of me
See you lose all thought and sense of time
You have a change of mind
Takin' the bumps and the bruises
And all the pain of a two-time lose
And I try to hold on, my faith is gone
It's just another sad song
So I think I gotta gotta let it go
I gotta let him go, let it go, baby
'Cuz it looks like another love T.K.O.
Oh, yes it does, yes it does
I think I gotta gotta let it go
Mmm let it go, baby
'Cuz it looks like another love T.K.O.

Boy, whatcha want me to do?
Whatcha want me to do?
No no no, no no no
I try to take control of the love
It took control of me
See you lose all thought and sense of time
You have a change of mind
Taking the bumps and the bruises
And all the pain of a two-time lose
Then I try to hold on, my faith is gone
It's just another sad song

I think I better better let it go
Better let him go let it go, baby
"Cuz it looks like another love T.K.O
Yeah, I better better let it go
I gotta let him go let it go, Miss M
Another love, love T.K.O
Ooh, boy you got me turned around
And around and around around and around
"Everybody's got to cry sometime"
That's what they say, I heard them say
I think I better let it go
Everybody's gonna cry sometime T.K.O.
Mama says that they did, that they did
I think I better let it go
