laughing cracker smile wen i do it how i want it
roll the freeway like the indi 500
im 50 zag patterns stay up like an addict
chewy automatics, sticker like a magnet
the peewee's couldnt hurt the status
i live for situations where i work my magic
im a long-range winner again, its a cut throat industry, whos gonna remain?
see im comen collidin' in the ride that was somethin to change
to you weak ass rappers with nothin to say
paid dues, onterage, for my crew make way
we comen through, aint nothin u can do but back down
