

# Numbers In Action

Wiley

Eski Boy A-listed  
To get it right I know it's all about timing  
I reinvent, I'm like a brand new signing  
I talk about the little ladder we are climbing  
Music ain't a thing because I know I put the time in  
If it's an issue then you're gonna need tissue  
'Cause your eye balls are waterin', you can stop whining  
Whingin', change what you're thinkin'  
I'm all for, putting the pen to the paper cos I'm an author  
I'm never putting an act on  
I've done this thing since Shike at Saxon  
And I'm still a fan of Michael Jackson  
But now I want to see numbers in action  
I wanna see numbers in action
