

I'm Alright (You Gotta Go There to Come Back)

Stereophonics

I'll drink another drink for you
One, two, three, four, five
Once I drank a fish alive
I'll drop another pill for you
Six, seven, eight, nine, ten
Did it before, do it again
I'll tell another joke you for you
Did you hear the one about the one that looks like you
I'll sleep with sleeping rounds for you
Why don't you scratch my back and chew the tongue I chew?I'm alright
I'm alrightI'll tell another lie for you
Tell you what you want to hear but that don't make it true
I'll wear another smile for you
That way you'll know I'm fine and having fun with youI'll draw another another line for you
That way you'll know I'm hip, that way you'll know I'm cool
I'll smoke another smoke for you
I'll blow back in your mouth and you can blow back tooI'm alright
I'm alright, you gotta go there to come backI'll take another punch for you
Tie my hands behind my back that way you cannot lose
I'll make another pound for you
So you can drive your motor car and drive you to the moon
I'm alright
I'm alright, alrightHappy, you're free, alright
Love, pain, sun, rain, alright
