

# Prove It All Night

Bruce Springsteen

I've been working real hard, trying to get my hands clean  
We'll drive that dusty road from Monroe to Angeline  
To buy you a gold ring and pretty dress of blue  
Baby just one kiss will get these things for you  
A kiss to seal our fate tonight A kiss to prove it all night  
Prove it all night  
Girl there's nothing else that we can do  
So prove it all night  
Prove it all night  
And girl I'll prove it all night for you Everybody's got a hunger, a hunger they can't resist  
There's so much that you want, you deserve much more than this  
But if dreams came true, oh, wouldn't that be nice  
But this ain't no dream we're living through tonight  
Girl, you want it, you take it, you pay the price Prove it all night  
Prove it all night  
Prove it all night girl and call the bluff  
We'll prove it all night  
Prove it all night  
Girl I'll prove it all night for your love Baby, tie your hair back in a long white bow  
Meet me in the fields out behind the dynamo  
You hear their voices telling you not to go  
They've made their choices and they'll never know  
What it means to steal, to cheat, to lie  
What it's like to live and die Prove it all night  
Prove it all night  
Girl there's nothing else that we can do  
So prove it all night  
Prove it all night  
And girl I'll prove it all night for you I'll prove it all night  
I'll prove it all night  
I'll prove it all night  
I'll prove it all night  
I'll prove it all night  
I'll prove it all night  
I'll prove it all night
