

Do the Reggay

Toots and The Maytals

I got a rich one, do you love me?

(Yeah, yeah)

Do you really want me with all your heart?

(Yeah, yeah) I want to do the reggay with you

(Yeah, yeah)

Come onto me, do the dance

(Let's, yeah) Is this the new dance? Going around the town?

(Yeah, yeah)

We can move you baby

(Then) Do the reggay, do the reggay, reggay

Reggay, reggay, la la la la la la
