

# Lovin' Lies

## Porter Wagoner

I'll never understand dear as long as I live  
I guess I will always wonder why  
You told me that you loved me with all of your heart  
And then without a warning said goodbye Lovin' lies that I believed and now how I grieved  
You didn't mean it from the start  
You told me lovin' lies and broke my heart You say I'll soon forget you and find somebody new  
But darlin', how wrong you are  
I've only had one love dear and that was for you  
And from that love my heart will bear the scar Lovin' lies that I believed and now how I grieved  
You didn't mean it from the start  
You told me lovin' lies and broke my heart
