Holdin On

Flume

To keep on holdin on, holdin on
To keep on holdin on, holdin on [x2]Ya'll Know niggers tryinna do (yes I do)
My hip shaking mama, I love you (i know)
Ya'll Know niggers tryinna do (yes I do)
My hip shaking mama, I love you (i know) [x2]To keep on holdin on, holdin on
To keep on holdin on, holdin on [x2]No! No! No!
Holdin onCan't turn you loose, no, no!
Cause I need all the joy you bring, oh!
Hey, I can't let you go with nobody
Cause I love you baby, yes I do!Ya'll Know niggers tryinna do (yes I do)
My hip shaking mama, I love you (i know)
Ya'll Know niggers tryinna do (yes I do)
My hip shaking mama, I love you (i know) [x2]Don't give you everything I hope
Cause I gotta, gotta keep holding on, holding on
I can't let you go away no, let you get away, no, no!
You keep holding up, you keep holding up, no, no!I can't, I can't, I can't tell you! [repeat to fade]
