You

Brika

Here we go again
Classic independent woman
Talking to a man
Except this time he's nice
And good lookingMaybe I
Better ease up on wine
So I won't try
To get too out of lineTakin' me places I have not been
Glowing while he's talking
No one's made me feel so sureCause baby
Youuuu
Make me feel brighter
Youuuu
Make me feel lighter
Cause baby
Youuu
Lead me to believe
Not everybody's mean
Oh baby you
Would never leave my side
For some girl on low tideGetting fresh air
Running through my back
Through my minds glareSeeing things morph
To this right world
I've never seen beforeTaking me places I have not been
Glowing while he's talking
No one's made me feel so sureCause baby
Youuuu
Make me feel brighter
Youuuu
Make me feel lighter
Youuu
Lead me to believe
Not everybody's mean
Oh baby you
Would never leave my side
For some girl on low tide
Oh oh
You never leave my side

For some girl on low tide
Oh ohYouuuu
Lead me to believe
Not everybody's mean
Oh baby you
(Gonna get it, gonna get it, gonna get it, gonna get it)
Would never leave my side
(Gonna get it gonna get it)
For some girl on low tide
(Gonna get it, gonna get it)You never leave my side
For some girl on low tide
