intervals

kuma & aywy.

Once the mind is calm, once the ego is quailed
Travel in the realm of which there is no sign
Hold your thoughts to the present, the present
Personally realizeThe infinite of being
Inner peace brings about
Harmony with the times
Hold your thoughts to the present, the presentBecome one with the dusty world
Hold your thoughts to the present
Pacify, realize the infiniteBecome one with the dusty world
Hold your thoughts to the present
Pacify, realize the infinite
