

I'm Going Home

Buffy Sainte-Marie

Heaven isn't so far away as people say
I got a home high in my heart
Heaven is right where I come from; I never throw it away
I know the place and I'm going home
I'm going home
I'm going homeSee up there, it's not the same
They know your name
And I'm not ashamed to need it I'm going home
I'm going home
I'm going homeYou keep on knocking but
I'm not coming out of this state I'm in
I'm travellin' right, I'm gonna get there soon
I'm standing up praying, I'm singing
Saying Heyo ha ha heyo ha hey ya
I know the way and I'm going home.
I'm going home
I'm going homeThat's where the heart can rest
The best is there
And only a fool would leave it. I'm going home
I'm going home
I'm going home
I'm going home
