Don't Mess With Me

Karyn White

We walked into the room
you tried to make your move much too soon
and then you cried the blues
why don't you understand I won't date you
but I heard of the other night before
boy I'm amazed that you could just ignore
how does a lady find the words to say it
why can't you get it thru your head "I'm not that way"
I wasn't for it the very first time
Don't Mess with Me, Baby don't you mess with me
I didn't stutter, I didn't think twice
Baby Don't you Mess with Me
with your bad self, baby Don't Mess with Me
You took me for a ride
a fancy restaurant to wine and dine
you thought that thing was on
I beat your game and say "Take Me Home"
but I heard of the other night before
boy I'm amazed that you could just ignore
how does a lady find the words to say it
why can't you get it thru your head "I'm not that way"

I wasn't for it the very first time
Don't Mess with Me, so Baby don't you mess with me
I didn't stutter, I didn't think twice
Baby Don't you Mess with Me

I wasn't for it the very first time
Don't Mess with Me, Baby don't you mess with me
I didn't stutter, I didn't think twice
Baby Don't you Mess with Me
ooh baby baby, baby baby, baby Don't ya mess with me
ooh baby baby, baby baby, baby Don't ya mess with me
I wasn't for it ..... hey hey hey
I didn't stutter
I'm warnin ya baby, Don't ya mess with me
Your not for me, all your games I've heard your lies so many times
I wasn't for it the very first time
Don't Mess with Me, Baby don't you mess with me

I didn't stutter, I didn't think twice
Baby Don't you Mess with Me
repeat
