

# Give It A Rest

## Nobodys

I hate my job, i hate my life.  
If i was married i'd hate my wife. Oh Yeah.  
If i had kids i'd hate them too.  
But not as much as i hate you. Oh no. I'm sick of people telling me what they think is best.  
Just cause my life is a fucking mess.  
I'm sick of people telling me what they think is best.  
I wish they'd shut their fucking mouth and give it a rest. I've heard it once, i've heard it twice.  
Don't wanna hear no more advice from you.  
Same shit, different day.  
I don't care what you say no more. I'm sick of people telling me what they think is best.  
Just cause my life is a fucking mess.  
I'm sick of people telling me what they think is best.  
I wish they'd shut their fucking mouth and give it a rest.
