

# Teargas

## Katatonía

Why have you put so many things into my eyes  
That I can't see clear  
Who's paid you for telling me what I'm worth  
And run in fear  
It has been for me a strain to see already  
What have you done  
The rising noise  
The sharpened smells  
The deadened sight  
What is it in my eyes  
A piece of broken glass  
Is this the time I should be on my knees for you  
Is this your way of telling  
Another has been found  
Now I know  
It's teargas in my eyes
