A Long, Long Time Ago

Lea Salonga

(odette quesada)We used to be one
I can remember when our hearts were very young
You said our love would be forever
But that was such a long, long time ago
A long, long time agoTime and again
I still remember day after day
When you'd hold me close to you
But they are just a part of yesterday
Such a long, long time agoWhy did it ever have to be this way?
You promised me the moon, the sun, the stars above
How come you suddenly ceased to look my way?
Tell me the truth that you are certain ofLook at me now
The girl you once loved
Look at me now
Grown up but still in love with you
Although it's such a long, long time ago
Such a long, long time agoWhy did it ever have to be this way?
You promised me the moon, the sun, the stars above
How come you suddenly ceased to look my way?
Tell me the truth that you are certain ofLook at me now
The girl you once loved
Look at me now
Grown up but still in love with you
Although it's such a long, long time ago
Such a long, long time ago
