

Marrakech

Incognito

It's close to midnight
Packed my bags and I'm leaving
Ride the night train
To where I know you're gonna be waiting And yesterday will fade like snow in the sunlight
Melt away from my memory
Through the darkness until I feel the light's caress
I'm on my way to the streets of Marrakech The room is crowded
I can feel my body heat rising
Above the voices
The echoes of a train approaching A colorful parade like flames in the dark night
Leads the way to my fantasy
Through the darkness until I feel the light's caress
I'm on my way to the streets of Marrakech Marrakech
The streets of Marrakech
Marrakech
The streets of Marrakech And yesterday will fade like snow in the sunlight
I'm on my way, yes, I'm on my way
I'm on my way to the streets of Marrakech Marrakech
The streets of Marrakech
Marrakech
The streets of Marrakech Marrakech
Streets of Marrakech
Marrakech
Streets of Marrakech Marrakech
Streets of Marrakech
Marrakech
Streets of Marrakech
